SMART PROTECTION
SMART RETAIL

Protect Structural Columns from Everyday Impact
Aluminum diamond plate construction helps absorb impacts from carts, pallet jacks, maintenance equipment, and other high-traffic hazards.

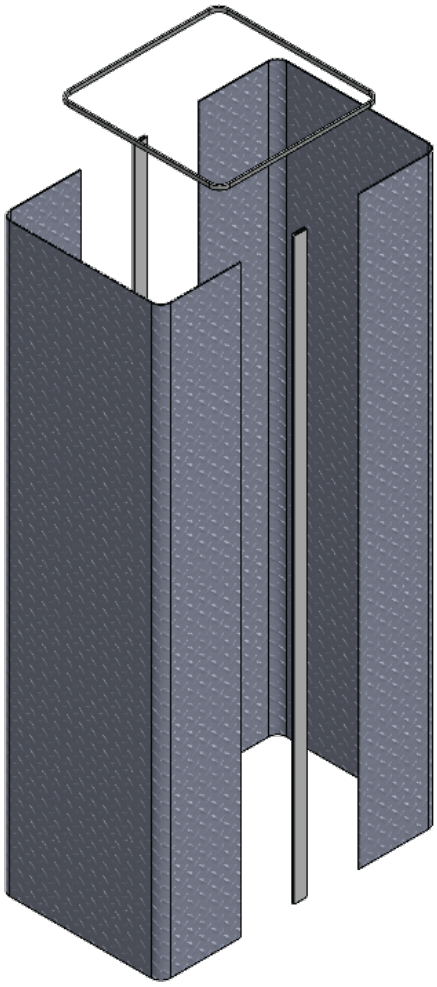

Enhance Facility Appearance with Long-Lasting Durability
Built to withstand everyday wear and tear while maintaining a clean, professional appearance.

Built for Any Environment
Compatible with multiple column sizes, its low maintenance design makes it perfectly suited for warehouses, distribution centers, manufacturing facilities, retail stores, parking garages, and commercial buildings.

Made in North America
Designed, manufactured, and quality tested to ensure consistent performance, durability, and reliable lead times.
