

FIXTURE PROTECTION **POST BOLLARD**

Your Asset's First Line of Defense

SMART PROTECTION

SMART RETAIL

Retail Post Bollard

Engineered to protect the corners and ends of retail fixtures from everyday impacts, our Post Bollard is specifically designed for indoor retail environments. By minimizing impact damage, it contributes to safer aisles and a more professional in-store appearance.

Impact Resistant

Impact tested to withstand up to **500 joules** – the equivalent of **1,800 lbs** at **2.4 mph** – delivering reliable protection in most retail settings.

Easy Installation

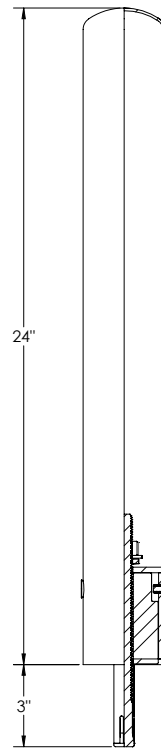

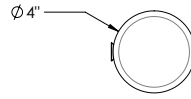

Its permanent cup system allows quick installation and can be easily removed and reinstalled, simplifying maintenance, cleaning, and equipment access without disrupting store operations.

Clean Look Design

Its sleek, unobtrusive design delivers protection while remaining virtually unnoticed in stores.
